

SEWA-AIFW

TOTAL FAMILY WELLNESS

Dear Supporters and Partners,

At SEWA-AIFW, our mission is driven by a strong commitment to serving and empowering the South Asian community. For decades, we have worked to uplift and empower underserved members of the South Asian community in Minnesota by improving access to essential health, social, and support services.

SEWA-AIFW is a 501(c)(3) nonprofit delivering comprehensive, culturally responsive health and social services to South Asians across Minnesota, the first of its kind nationwide.

As part of our commitment to total family wellness, SEWA-AIFW hosts an annual Health & Resource Fair. In previous years, more than 400 community members, including multi-generational families, have attended the event to access vital services and support.

The SEWA-AIFW Health Fair offers a wide range of essential health services, including preventive health screenings such as BMI, blood pressure, blood glucose, hemoglobin A1C, cholesterol, ECG, dental, vision, bone density, and behavioral health screenings. Attendees will also have access to COVID-19/flu vaccinations, hand massages, and mammograms, as well as services provided by volunteer physicians.

The Health Fair provides referrals to free and low-cost, culturally responsive healthcare services and offers specialized medical consultations in cardiology, neurology, dermatology, obesity and diabetes care, OB/GYN, ophthalmology, dentistry, gastroenterology, pediatrics, behavioral health, nutrition, Ayurveda, and non-touch Reiki.

In partnership with the Brooklyn Center Emergency Department, emergency vehicles will be displayed onsite for families to explore and engage with first responders. The event will also feature a community health and resource exhibitor area offering educational materials, health-related giveaways, and family-friendly activities.

Complimentary, culturally specific meals will also be provided for all attendees.

We invite you to become a partner in this important work by supporting the SEWA-AIFW Health & Resource Fair 2026, an initiative designed to deliver critical services, resources, education, and care to those who need it most. Your support will play a vital role in strengthening our community and advancing equity and well-being for all.

This year's Health Fair will take place at our office at **SEWA Community Center** located at **6645 James Ave N, Brooklyn Center MN, 55430** on **Saturday, May 16** from **10:00am – 3:00pm.**

We invite you to partner with us in supporting and celebrating our community through this special and impactful event. For questions, please contact Dasharath at **dasharath@sewa-aifw.org**.

Thank you for your time and consideration.

Sincerely,

Anjuli Mishra Cameron
Chief Executive Officer, SEWA-AIFW
